

Finances are the lifeblood of your organization.

Why CRI?

A business is just an idea without finances. Given the importance of your financial statements, careful consideration of the level of assurance* provided by your auditing* team is warranted. Regardless of the types of financial statements, the accounting framework used, or the level of the service supplied, CRI's team of industry-specific expertise is designed to increase your efficiencies and provide unparalleled client service. Our hands-on involvement and ongoing communication are paired with tailored solutions to meet your organization's needs. And in today's digital climate, virtual audits are not only an idea; they are a possibility with CRI's vSTAR™ process. CRI's vSTAR™ process combines the technology with the human components of insight, advice, and responsiveness to deliver a superb audit experience with increased efficiency, honed client focus, significantly reduced travel costs, and crisis-proofing for business functions. Together with CRI vSTAR™, CRI's team of seasoned audit advisors bring heart to the financial statement audit process for your organization.
