

When the stakes are high, CRI's Fraud and Forensic Accounting services up the ante.

Why CRI?

The need for professional forensic accounting services can arise from a multitude of reasons—financial reporting issues, asset misappropriation, litigation, regulatory issues, employee misconduct, cyber-attacks, data breach, and so on— and each situation requires unique considerations. CRI's team of credentialed forensic and litigation professionals can assist you in conducting investigations, fraud risk assessment, internal control examinations, fraud awareness training, whistleblower hotlines, forensic data analytics, expert witness testimony, large scale reconciliations, and dispute resolutions. No matter the size or scope of your circumstance, CRI's team of advisors can provide you with integrated services that deliver you the crucial information you need when you need it.
