

## CRI's Internal Audit services help you leverage your resources to protect your business and improve organizational controls.

### Why CRI?

The role of Internal Audit is becoming increasingly more critical as organizations look for insights into risk management and operational efficiency. CRI offers full service or co-sourcing internal audit solutions that include working with entities on risk assessment; design, implementation, and operating effectiveness of internal controls; process improvement; fraud investigation; regulatory compliance; SOX 404; IT assurance; and monitoring. Our team of multi-disciplinary advisors also serves as consultants to help our clients continuously improve their processes and internal controls.
